Important Terms and Conditions

- Kodachrome films can only be processed as black-and-white positives.
- Ektachrome is current and typically requires 3 to 4 months to complete.
- All other film types are considered obsolete and may require 3 to 5 months for processing.
- A processing fee will be charged regardless of whether the film contains images.
- While we use our extensive expertise in film processing to recover images, we cannot guarantee successful results.

Terms & Conditions as per the website fotostation.co.uk

Limit of Liability: By entrusting us with your media for processing or handling, you agree that any loss or damage, including cases of negligence, will be resolved through replacement with equivalent unexposed media or blank devices. While we strive to provide exceptional care, we cannot offer additional warranties or accept liability beyond replacement. Recovery for incidental or consequential damages is excluded. Additionally, we are not responsible for any loss, damage, or delays caused by third-party carriers, such as Royal Mail, DHL, FedEx, or similar providers. Please note that prices and terms may change without prior notice.

Copyright Notice By submitting materials, you certify that you are either the creator or have the copyright holder's permission to duplicate them. Written copyright releases must accompany all copyrighted material. You also agree to indemnify and hold harmless all parties involved in the transfer process from any claims of copyright violation arising from your submissions. Your personal information will only be used to address issues related to your order. It will not be sold, shared, or used for telemarketing purposes.
